Are you up for a Brunch?

WHEN AND WHERE?

From **July 1st to August 31st** we replace the services of Breakfast and Lunch by a Brunch from **11:00 to 14:00** in our **buffet-restaurant**.

¿WHAT WE OFFER?

An excellent combination of **sweet and salty foods**, with multiple options, less healthy for those who need to pass a hangover and adapted for those who want to take care of themselves a little more (or show pictures on Instagram), as well as **options for celiacs, vegetarians and vegans**.
