---

Ibersol is a company with a rich 50-year history of expertise in the touristic and real estate sectors. Principally specializing in hotel operations. Grupo Ibersol is a group of six hotels and a wide range of apart-hotels.

---

From its origins, dedication and hardwork has always been a fundamental part of Ibersol's corporate history, and it has been deeply linked to our challenges and experiences over the past 50 years. During this period we have achieved to consolidate our company as an expanding hotel group in each and every activity.

Each year Ibersol offers its services to more than 15,000 holidaymakers, taking full responsibility to make their stay as pleasant as possible by providing complementary services, quality and efficiency so as to earn the trust of the companies of the sector, with which we maintain business relationships.

The Ibersol Group is one of the largest Spanish hotel chains. Our selection of hotels include the Hotel Ibersol Cavaliere in the French Riviera, the Hotel Ibersol Antemare in Sitges, Hotel Ibersol Alay in Benalmadena, Hotel Ibersol Sorra D'Or in Malgrat de Mar, Hotel Ibersol Son Caliu Mar & Beach Club in Mallorca and 5 star hotel Centre of Rural Tourism La Casona de Andrea in Tiedra- Valladolid.

In addition we are the largest group of holiday apartments in Costa Daurada.

## COSTA DAURADA

The Costa Daurada is well known for its various golden and fine-sands beaches and coves, hence the name of "Daurada" (Golden).

Salou is famous for its many beaches, around 9 beaches with golden and fine- sand and shallow basin. You can enjoy many different activities provided by Salou's Nautic Club or just take a walk or bicycle ride across the gorgeous seaside promenade.

Salou also offers an interesting Mediterranean gastronomy affordable for everyone with alternatives for every budget, from a restaurant "chiringuito" on the beachfront to select restaurants where you can taste wines and "designation of origin" products accompanied by exquisite and elaborate dishes.

## SITGES - BARCELONA

Sitges has many reasons to be considered a specially privileged place. The unique and exclusive landscape, 17 beaches in 4 coastal strip kilometers in the Garraf, an intense cultural, artistic and party life, high quality and luministic touristic facilities, transform this city into an important renowned and international prestige center of a tourist attraction.

Its particular micro-climate (more than 300 sunny days per year) and its excellent geographical location (15 minutes to the airport and 20 minutes to Barcelona) make Sitges one of the most pleasant Mediterranean places where it is possible to find peace and quiet, but at the same time, to live the most intense of emotions in this cosmopolitan city.

## BENALMÁDENA - COSTA DEL SOL

Benalmadena is one of the most important touristic areas of Costa del Sol. Benalmadena has the largest concentration of theme and leisure parks in Malaga, two golf clubs, a casino, and 20 kilometers of beaches (15 beaches), and a fabulous yachting port. Benalmadena Pueblo (the village) has a picturesque urban landscape, narrow streets, quiet squares, whitewashed houses and Benalmadena Costa (the coast).

The visitor has the opportunity to enjoy a nice walk along the "Parque de la Paloma". In its more than 2 thousand square meters you will find precious gardens, playgrounds, a lake, library and the Municipal Auditorium. In front of this facility is the Selwo Marina, with a dolphinarium and an ice penguin pit, unique in Andalucia.

Puerta Marina has more than a thousand moorings, a nautical club, shops, restaurants, leisure venues. Here you can also find the Interactive Sea Life Aquarium consisting of about 3 thousand of underwater creatures. Benalmadena Costa also conserves two watchtowers from the Arab era and another one from the XVI century.

## VALLADOLID - CASTILLA Y LEÓN

The Valladolid City is the capital of the Autonomous Community of Castilla and Leon, the largest administrative region in the European Union.

Valladolid has 7 assets that have been declared Human Heritage Sites by UNESCO, more than 200 castles, about 400 museums and 11 cathedrals. It is worth noting that more than a half of "Camino de Santiago" and an important path of "Via de La Plata" cross through Castilla and Leon.

Valladolid's location is perfect to communicate with the main Spanish and European capitals using air transport from Villanueva Airport, as well as by railway system and motorways.

Valladolid is characterized by its continental Mediterranean weather with extreme temperatures due to distance from the sea, therefore the summer is very warm and winter is very cold. Summer season is the driest and frequently is up to 30°C, and sometimes up to 35°C.

## CALVIÀ - MALLORCA

There are many reasons to visit this island: 450 kms coastline of beaches and great weather during a large part of the year.

You will be amazed by the high cliffs and by the crystal-clear Mediterranean waters. In the old town of Mallorca, local people live with their own customs and pace of life far from the crowd of tourists on the coast.

The Mallorcan countryside is rich in almonds, olives and vineyards. The castles and sanctuaries are frequently located at the top of the cliffs or hills, where the traveller can enjoy the view of the entire island.

The old paths of the Sierra smuggles can be used to discover cliffs, coves and stone villages; also, is a beautiful and peaceful trail to walk. The "Ciutat de Palma" offers a lot of architecture treasures of ancient civilizations: romans, Christians, muslims...
